Alhaji Baba Adam Look, whether rape or no rape, the fact of the matter is you had sex with a 19years old girl. A teenager for that matter. Assuming, without admitting that you are found not guilty of the offence, I still think your admission of having sex with the teenager is disgusting, irresponsible and unbecoming of someone who calls himself a role model. A role model my foot. You have no credibility anymore. Shame on you kkd!!

Alhaji Baba Adam As for those people cheering him up for the irresponsible behavior. I pray they do it to your daughters

Yaw Fosuhene Adonteng People why do we pass judgments when we're aware that the law must first be interpreted...It's more than a serious case as we see it. After all we weren't there before or during the act so why then all these accusations on both parties! We rather need to reserve our comments on this issue till judgment is passed.

Maame Adwoa Melleen Bediatuo Ghanaians and hypocrisy! Just imagine a 19 year old girl having to suffer the scourge of someone's irresponsibility and yet stupid people come here and quote scripture. Our world won't be a better place if such miscreants are not dealt with thoroughly. They take advantage of their foolish fame and throw the lives of other little girls in Jeopardy. After reading the

Maame Adwoa Melleen Bediaatu @Nana Boro, Nana Kofi Adonteng et al, I am never in a hurry to prejudice but having known KKD, I am very confident he committed the act. Nana Kofi Adonteng @ Maame Adwoa Melleen Bediatuo oh so you are a lawyer. A lawyer and you can't wait for the judgement but rather base your argument on assumption. How did you know KKD? as a rapist? Are you one of his victims? I guess not. I don't want to sound as if I am in support of KKD's action, I have a daughter who is of the same age as the lady in question and I know how you feel, but can't jump into conclusion that she was raped. So my dear Maame Adwoa Melleen Bediatuo let's wait for judgement.

Truth can NEVER be hidden for life.Reap what you sow.What is not good for the goose is not good for the gander.You can fool some of the people ALL of the time, but not ALL the people all of the time.Even Satan has worshippers just as even dramani mahama has worshipers. Meet somebody first time in a hotel and sex her in a bathroom and is consensual! Pedophilia?God save you and you may see the clinical psychologist. To God the ONLY creator of life be the glory.

I just don't understand why the hatred for KKD .The issue is wad the girl raped or it was consensual sex? The girl was not forced into his room, she went there voluntarily. I smell some foul play. But God will surely expose the truth.

Give us a break. Even your so called Mahama had issues outside marriage so if you have some moral lectures go and give him. Was the girl dumb or what? What was she doing in his hotel room? Was visiting peoples room part of the program? Please I condemn any form of sexual harassment but it's also time our ladies start thinking smart and behave responsibly. I have never heard of rape occurring at an open place or public. Women should think and act smart.

Efo Ray Kwasi, be strong in these trying times and be ready to be moved into the next level of God's Mercy and Favor.

To all the prejudicial haters, John 8:7 reminds us that ...He that is without sin among you, let him first cast a stone... This doesn't mean I am condoning the alleged in any form or shape. The Police charge sheet details a convincing modus of operandi. I haste however to say to all that, let us, from now on, be careful and be guided by this admonishing that would have saved the Finest. Colossians 3:5-7 "Mortify (or deaden) therefore your members (flesh) which are upon the earth; fornication, uncleanness, inordinate affection, evil concupiscence, and covetousness, which is idolatry: [6] For which things' sake the wrath of God cometh on the children of disobedience: [7] In the which ye also walked some time, when ye lived in them.."

For I believe that self righteousness is not good...but I also believe that now and then our respective cups of secret deeds get full and we need to once in a while empty them and allow fresh Grace and fresh anointing to flow into them...that's what I am learning from all these.
